

## Shaken

You're a mover and a shaker,  
Earthquaker, change maker,  
Rule-breaker, rebel soldier,  
Rough and ready, Rock and Roller,  
Wheeler dealer, main player,  
off the beaten-track strayer,  
You're the centre of attention,  
influencer, instigator,  
An enigma, you're a riddle,  
energetic Irish fiddle,  
you're dazzling, you're glitter  
Heavy hitter, atom splitter,  
Untamed, free range,  
Liberated, unconstrained,  
Off the chain, moving train,  
Insane in the membrane-  
You're a libertine queen,  
the band-stand tambourine,  
You're Jack's magic beans,  
You're a match to kerosene!

Maybe I'm conventional,  
too dull, or just a grouch,  
But next time you come over  
you're sleeping *on the couch!*
